Bluesky Digital Assets Corp., Announces Strategic Diversification in Texas

FOR IMMEDIATE RELEASE

Toronto, Ontario, February 14, 2022 – Bluesky Digital Assets Corp., (CSE: BTC), (CSE: BTC.PR.A), (OTCQB: BTCWF), (“Bluesky” or the “Corporation”) announced today that the Corporation entered into an agreement to diversify and provide scale to its mining operations at locations in Texas.

Bluesky believes Texas to be a preferred destination for all things blockchain including crypto mining. The Texas Legislature has passed legislation to encourage the crypto mining industry, and the business community is providing first class services targeted to the Blockchain industry, including Banking, IT, Utility and Energy Services, ESG, and Legal Services.

Over the next quarter Bluesky will be providing additional details and announcements related to Bluesky’s diversification of mining operations to Texas.

About Bluesky Digital Assets Corp.

Bluesky Digital Assets Corp, is building a high value digital currency enterprise. Bluesky mines digital currencies, such as Bitcoin and Ether, and is developing value-added technology services for the digital currency market, such as digital mining proprietary software. Offering a complete ecosystem of value-creation, Bluesky is targeting reinvesting appropriate portions of its digital currency mining profits back into its operations. A percentage of the profit will be invested in the development of a proprietary Artificial Intelligence (“AI”) based technology. Overall, Bluesky takes an approach that enables the Corporation to scale, and respond to changing conditions, within the still-emerging digital currency industry. The Corporation is poised to capture value in successive phases as this industry continues to scale.
